

BLUE PHOENIX RISING

Live Fully, Live Joyously, Live Confidently

“Words help you cast vision for the promise of the Future. Words give life to ideas. Words and phrases convey the purpose, values, character, and culture of the company you are creating.”

List your top 3 to 5 talents and skills
(What do others say that you do best?)

Your Edge / Your company’s Edge – What sets you apart. What is your ‘secret sauce’?
(Think about the unique qualities, talents, gifts, and strengths that you bring.)

DEVELOPMENT OPPORTUNITIES

What are the experiences, assignments, skills, education, and other Professional Development opportunities that will get you ahead and in a place for career advancement and your company expanded?

YOUR PIVOTING OPPORTUNITIES

When a business pivots, it means that it’s changing some aspect of its core products or services. Businesses might pivot to better meet customer demand, to shift their target audience to boost sales or some combination of both.
